Awarded as the best agent in global level for the chat process and presented with a certificate.

Tools known

AutoCAD | Catia v6 | Pro-E | ANSYS | ZW-CAD | SolidWorks | Figma

In my experience, AutoCAD is unparalleled for 2D drafting, Catia v6 excels in 3D modeling and aerospace designs, Pro-E is robust for mechanical engineering, ANSYS offers advanced simulation, ZW-CAD provides cost-effective drafting, SolidWorks is the go-to for solid modeling, and Figma is revolutionary for collaborative UI/UX design
